- b. All projects approved by SARAO for postgraduate research for 2023, as well as the contact details of the relevant supervisors, are available at: <https://www.sarao.ac.za/students/funding/>

SARAO will NOT consider an application if there is no supervision-agreement letter.**
- f. The student must use the details of the research project, as provided on the SARAO website, to complete the "Research Project Information Section" of the application form.
- g. Students awarded a SARAO Master's/Doctoral scholarship will have to register at the university where the supervisor of the research project is based, and the student will have to undertake his/her degree at that university.
